

Rise Network office space available in NFP Cockburn Hub.

Rise purchased a facility in Cockburn with a view to creating a NFP hub, the ground floor of which has been occupied by both Rise and Therapy Focus for some time we have now secured planning permission and completed the fit out of the first floor.

The first floor comprises 16 desks with associated storage the facilities are located on the ground floor including accessible toileting and changing facilities. There are a variety of meeting rooms on the ground floor and ample shared parking. The reception space is staffed during office hours somewhat like a Professional Managed Office Suite.

Rise are offering the space to Community Groups/Service Providers on an inclusive cost-plus rent that is affordable to Community and Not-for Profit sectors.
