Consumer Protection WA Publications

Consumer Education posted on Feb 16, 2021

Consumer Protection publications raise awareness of consumer rights across a broad range of topics including renting a home, buying and selling goods or services, agreeing to contracts, avoiding scams, buying motor vehicles, and maintaining product safety awareness especially where children are concerned. Below are links to some of our most popular publications downloadable in digital format (PDF), but we have many more available! Please visit the Consumer Protection website [http://www....](http://www...)
